

Certificate of Approval

This is to certify that the Management System of:

AFGlobal UK Ltd.

Unit B1 Tebay Road, Bromborough, CH62 3AB, United Kingdom

has been approved by Lloyd's Register to the following standards:

ISO 14001:2015

Approval number(s): ISO 14001 – 00027716

The scope of this approval is applicable to:

Provision of project management, design, engineering, procurement, management of manufacturing, assembly & testing and field service support relating to the delivery of subsea production systems and equipment for the oil, gas and petrochemical industries. These systems include diver and diverless systems, including: standard and compact flanges, Taper-Lok® connectors, pressure retaining connection systems and specialist tooling.

David Derrick

Area Operations Manager UK & Ireland
